Summary of Expenses

- Bank Service Charges** These charges are necessary to maintain our community's financial accounts and ensure that transactions are processed efficiently.
- Software - Security** This advanced software provides industry-leading threat monitoring and auto features, ensuring unparalleled protection against various potential security threats.
- Software - Discord** This provides additional features to our servers, enabling us to offer a better user experience to our community members.
- Software - Creative** This category includes creative software for enhancing our digital content and community engagement.

Ahrism1 2023 Q3 Report

- Domains - Hosting** These expenses cover the cost of providing our sites and services, which are essential to maintaining our online presence and brand identity
- Payroll – Employee Benefits** These expenses cover the cost of providing payments due to an ex-employee’s request for Ahrism1 to cover their ibuprofen expenses.
- Professional Fees** These fees cover the cost of licensing and creating high-quality emotes that enhance our community members' user experience and engagement.
- Special Initiatives** These funds are allocated for proactive measures designed to ensure the security, integrity, and longevity of our community. These play a critical role in safeguarding Ahrism1 against internal and external threats, ensuring a safe environment for our members.
- Prizes** We provide these funds as prizes to encourage active participation among our community members.
- Charity** This contribution to the Trevor Project reflects our commitment to supporting socially relevant causes and exemplifies our dedication to broader social responsibilities.

Conclusion

Our Q3 report underscores the tangible benefits our strategic investments from Q2 have yielded. As a testament to our foresight, the members of Ahrism1 have notably appreciated and are currently enjoying the newly introduced features. Such positive outcomes reaffirm our commitment to constant evolution and enhancement. As we advance towards Q4, we remain resolute in our promise to provide a distinguished experience for our members, combining innovation and safety. We are grateful for the continued trust and partnership of our community and anticipate even brighter horizons ahead.
